Are you Ready for Winter?

Please read over the attached checklist to make sure your home is prepared for winter.

We are in our finale weeks before the cold is here so now is the time to finish up on any of your exterior projects!

Off-Street Parking...

Soon enough we will be looking at snow in our yards. Remember to always park your car off the street and on your parking pad. Unless you have a parking variance from the office, we will be enforcing street parking. This allows for clearing of the streets from curb to curb, making our streets safer for drivers, walkers, snow plows and emergency vehicles.

Your guests may continue to park on the street for a short time.

Heat Tape Class

Evergreen Village will be having an educational class on heat tape **Saturday, October 15th at 9-10 am.** Please join us to learn more about heat tape and any other questions you may have about getting your home ready for winter. It will be held upstairs in our community room.

2022 Relocation Trust Fund

If you haven't paid your \$15.00 Relocation Trust Fund payment yet, this is the last month to do that. It must be paid by **October 31st** so you are eligible to be a part of the fund with the State of Minnesota.

Fire Prevention Month

Fire Extinguishers:

Every home should have a fire extinguisher. Make sure yours is working properly and easy to obtain.

Smoke Detector: If you have a battery smoke detector this is a good time to put in fresh batteries.

Fire Escape Plan: As a family, make a detailed home "fire escape plan". Rehearse your plan. Make sure your children know two ways out of every room and also know how to call 911.

Make sure you and your family are Prepared
